VOL. 12 NO. 1 WEDNESDAY, JANUARY 6, 1971.

P.O. BOX 263, St. Albert
Registration No. 1930

Dana Graff holds the \$100 cheque he won for submitting the best Christmas card design to the Tri-State Finance Company's Canada-Wide contest for children 7 - 12 years. Part of one of Dana's pictures is shown at left behind him, hanging in his own room.

Young Artist Wins Prize

Eight year old Dana Graff, son of Mr. and Mrs. Leslie Graff of 22 Salina Drive, won a Canada-wide contest for best designed Christmas card, sponsored by Tri-State Finance Company. The contest was open to boys and girls from 7 - 12 years and Dana was notified of his win shortly before Christmas, which carried with it a \$100 cash prize. Dana is a student at Vital Gravelin school.

Dana drew his design in pastels on a 18 x 24 sheet. Background was filled in by sections in orange and red tones and a single Wise Man, drawn in large bold lines stood out against it. Tri-State Finance will use Dana's design for their

firm's Christmas card next year.

Arts-Crafts Festival

The St. Albert Arts and Crafts Guild will present an Arts and Crafts Festival at Sir George Simpson school auditorium on Sunday Jan. 24.

Demonstrations and exhibits pertaining to most of the courses to be offered at the winter session will be presented for the public view and registrations will be accepted at that time.

Further information will be given at a later date.

Addicted Smokers Please Note

The five-day plan to stop smoking begins in St. Albert on Sunday evening, Jan. 10, at the music room of Sir Alexander Mackenzie school. Mr. Clarence Grosso advises that there are still vacancies and anyone interested should come on the 10th. The five day plan runs each evening from 7:30 to 8:30 from Sunday through Thursday.

Many proven aids for people who genuinely want to quit smoking have been incorporated in this well-researched plan, which operates in most countries

of the Western world. No drugs or tranquillizers are used, but diet changes are made and vitamin B1 is given to aid in stabilizing the nervous system.

Film's, group therapy and a buddy system are used and information on how to handle each day is contained in a booklet given to each participant. There is no charge.

Mr. H. Hagenan of Edmonton, who will conduct the program is assisted by a doctor and a nurse, the latter assisting with weight

control problems. A group of students from Cordwain Academy in Edmonton will

contribute to the program, mainly in helping other students to quit smoking.

Mayor's warning

I feel all residents of St. Albert should be warned to keep their pets under control at all times, and to have them immunized against rabies. While this area has been fortunate thus far, we should remember that St. Albert is close to wooded areas which harbor wild life. If you have not yet had your pet immunized I would urge you to do so immediately.

Ray Gibbon.

Public hearing extended - Ball Estate zoning

About 20 residents of the Ball Estate area attended the public hearing at town council Monday evening on a bylaw covering the rezoning of a lot on Ball Avenue from residential to commercial. A hotel parking lot is proposed for the location.

At the start of the hearing Mr. Roland Nobis requested an extension of two weeks for the hearing. Council decided to hear the views of those present and consider an adjournment for a future hearing as well. Mr. Nobis whose property is at 148 St. Albert Road is directly involved and had with him a legal representative.

Mr. Bill Webber as

spokesman for the group outlined reasons why they were opposed to the rezoning. The property owners were primarily against any commercial zoning west of the highway, they were opposed to piece-meal zoning in the area and they felt there was probably sufficient property along the highway for commercial zoning needs.

Mr. Nobis pointed out that originally the proposed hotel development was a one-storey, 15-room hotel on lot 2. Now he understands the proposal is for a 40-50 room hotel, possibly three or four stories and more commercial space was being asked for to provide parking

for the larger hotel.

(An earlier hearing was held Feb. 9 on the smaller proposal by developers Leo Superstein and L. Shapiro - present proposal before council is by Mr. Shapiro).

Mr. Nobis stated emphatically that he would like to see a concrete plan of the proposed development before the rezoning is considered further. "This is a new deal entirely," Mr. Nobis said, pointing out that he had purchased his property for residential use and had spent considerable funds on remodelling his house.

Mr. Shapiro, representing his own firm, said he wasn't aware that the original proposal was for a 15-room

hotel - he thought it was for 21 - 25 rooms. He explained that because of present mortgage rates it was necessary to go to at least 40 rooms to make the development economically feasible. This size of a hotel requires extra parking space under Alberta Liquor Control Board regulations.

Mrs. Mary Usher spoke briefly, stating that when their property was purchased from the MD Sturgeon, they were given a verbal commitment that it would remain residential, and she felt the town should honor this commitment.

Both the mayor and building inspector pointed out that the town could at no time be bound by verbal commitments.

Mr. Woodroffe, planner, was asked by Mayor Gibbon if he could come up with a professional proposal on how this entire area should be zoned.

He replied that the plan done in 1964 and approved by council in 1966 represented his views as planner. He felt this area, if developed for housing, was no longer feasible for single-family dwellings as it was uneconomical to put in a trunk line for servicing such dwellings, and eventually school site needs would render it even less feasible.

portion is air-conditioned in order to provide adequate ventilation and temperature control.

All noise-generating areas: music, art, dramatics, physical education and mechanical rooms are in effect in a separate building (the rectangle) from the quieter academic areas (circle).

The school has areas designed to accommodate any size of instructional group; whether in carrels, seminar rooms, or various sized

Lou Hyndman will address P.C. meeting

Mr. Lou Hyndman, Progressive Conservative MLA for Edmonton Gleora, will speak at the annual meeting of the St. Albert P.C. Association on Tuesday, Jan. 12.

Mr. Hyndman in his first bid for office, and starting almost unknown in his constituency, waged a tremendous campaign to defeat Social Credit member William Johnson, three years ago. Mr. Johnson is president of the Social Credit League.

Reas Kambooroff, president of the association will chair the meeting and conduct the election officers. St. Albert candidate Ernie Jamison will also address the meeting, which begins at 8 p.m. in St. Albert Community Hall, 1971 memberships which are necessary for voting will be available at the door.

Indications are that St. Albert constituency will be very well represented at the annual convention and election rally of the provincial association.

MR. LOU HYNDMAN

The meeting goes in Calgary, Jan. 22 - 24, and Leader Peter Lougheed has organized it for every Conservative in the Province who can be there.

Mr. Kambooroff will discuss travel arrangements for the convention at Tuesday night's meeting.

The morning class of St. Albert Parish Kindergarten, taught by Mrs. Shaver, as photographed at their Christmas party. From left to right (front row) Shelley Dunn, Andrew Hillson, Ken Kondratuk, Debra Gabert, Janey Wendell, Paul Nochar, Angelina Lavole. Second row, John Huston, Kevin York, Nicole Morrisette, Russell McDermott, Brenna Leong, Lori Wells, Jennifer Crowe, Ramona Zills. Third row: David Holden, Karen Bosch, Jason Halght, Christine Despins, Jamie Kadar, Lee Taschereau, Nancy Schneider. Absent was Daria Bittman.

St. Albert Parish Kindergarten afternoon class of Mrs. Shaver: from left to right, front row - Darrell Symboluk, Leo Bailey, Christine Kolomyjec, Kelly Bourgeois, Robert Shaver, Rhonda Sanderson, George Perraault. Second row: Billy Schilder, Timothy McNeil, Michele Beale, Linda Mik, Raymond Lemieux, Kevin Morgan, Gary Berbenak. Third row: Murray Schrader, Shelly Blackburn, Jodi York, Shawn Fowler, Dean Dolan, Marnie Ott, Marc Bergevin, Dean Cathcart. Absent was Johnny Fontain.

Ruby Taylor dies after long illness

Funeral services for Mrs. Ruby Taylor were held Wednesday, December 30 at one o'clock from the Chapel of Chimes. Reverend Len Musto of St. Albert United Church conducted the service, which was followed by cremation. Ashes will be placed in the family plot at Royal Oak Cemetery in Victoria, B.C.

Mrs. Taylor died on Sunday evening, December 27 in the W. W. Cross Hospital, after a prolonged illness. She was 51 years old.

Wife of Mr. Doug Taylor, she was the former Ruby Sager of North Battleford, Saskatchewan. The Taylors have made their home at 17

Sunset Blvd. in St. Albert for 11 years. Mrs. Taylor was predeceased by her daughter Cathy in January, 1967.

She is survived by her husband Doug, one son, Barry, her father Ernest Sager and brother Larry, both of North Battleford, two sisters, Jean of Victoria and Helen of Haney, B.C.

Mrs. Taylor worked for three years at the St. Albert Savings and Credit Union offices prior to her illness. She was a member of the St. Albert Chapter of the IOOE and served as secretary of that organization for some time. She was also a

member of the Ladies Auxiliary to the Royal Canadian Legion, St. Albert Branch.

WILL HART is probably the most mod dresser of all at Healy Ford's Truck Centre, but his deals are strictly old fashioned.

With a world of automotive experience behind him, Will knows the kind of arrangements that will make a customer happy—terms, trade-ins, exclusive farm financing, extras, and interested service. And that's what he deals in whether you're interested in a brand new 1971 Ford truck, from an Econoline to a Louisville, a used truck, new or used car or a fleet.

Drop in to Healy's Truck Centre on 106 Street and 103 Avenue. Will Hart is the fellow with the sideburns and the clipped-in waist. Or phone him at —

Goings on at Paul Kane

By Holly Hill

There were three Paul Kane teams involved in bonspiels over the Christmas holidays. The girl's rink entered the Crestwood Christmas Bonspiel, held Dec. 28, 29 and 30.

The team, composed of Janice Hoosier, Bobi Varner, Janet Gervais and Laurie Hart, enjoyed the hospitality of the Crestwood Club and brought home second prize in the "B" event.

They were also entered in the Girl's Zone 8 finals held at the St. Albert Rink. This team, which had Marilyn Larocque instead of Janet Gervais at second, went out in two very close games.

There were two Paul Kane boy's teams involved in the Northern Alberta school boy's Christmas Spiel.

One rink, with Max Duplika and his rinkmates Ken Love, Dave Wright and Lane Bryan, did very well taking the "C" event of the bonspiel. In the final game they beat out Jerry Wilson of the Ottewell Club 9 - 6.

The other team, consisting of Terry Mitchell, Doug Barker, Norman Hill and Dan Dubitz, won their first game 8 - 6, but unfortunately lost the next two.

Paul Kane curlers made a good showing over the holidays.

BASKETBALL
This Friday Paul Kane's

teams will travel to Athabasca. Buses will leave the school at 5:15 p.m.

The new uniforms have arrived, lets hope the players play as good as they look.

CHRISTMAS ACTIVITIES

The dance held Tuesday, Dec. 22 was attended by over 400 students, from Paul Kane and St. Albert High.

Paul Kane's students thoroughly enjoyed the Christmas concert held Dec. 23. The teachers took the trophy for their performance. "A — Barber-shop."

Sherry Miller was chosen as Paul Kane's Snowball Queen. The other contestants were Dawn Kufeldt, Janet Kelly, Holly Hill and Nancy Raymont.

Around Town

Census takers will start working in St. Albert on January 13. In addition to completing the official census form, they will carry a separate sheet to record answers to the question — "are you in favor of or opposed to amalgamation with the City of Edmonton." These sheets will be placed in a separate envelope and will carry no name or address so that the information will be on a strictly confidential basis.

All residents are reminded that it is illegal to burn garbage at the town dump site, and asked to co-operate by tying papers and other burnable material and dump only.

Council discusses arena supervisor post

Councillor Kambourff reported to council Monday evening on the public works and finance committee meeting December 14, regarding the arena supervisor. The committee recommended that the supervisor be a new department head, with specified job description and qualifications, at a salary range of \$709-\$850 per month.

Councillor Russell took the position that the arena supervisor post should come under the parks and recreation department and Mayor Gibbon supported this view. Council voted 4-3 in favor of the arena supervisor being a new department head. The matter of salary range was also discussed and an amended motion carried that the range be \$600 - \$850 per month.

Councillor Kambourff enquired of the secretary whether word had been received from developers BACM regarding changes requested by council in the development agreement, at their meeting December 7.

A letter from town solicitor A. M. Brownlee on December 7 indicated that the proposed changes were acceptable to BACM. No word had been received from BACM Limited, and Councillor Kambourff moved that a stop work order go into effect on January 11 unless a signed agreement is received before that date. Motion carried 6-1.

Mr. Kambourff then moved that no work be allowed on Stage two of the development until Stage one has been signed. Motion carried 6-0.

The development agreement in question is the La-combe Park subdivision and Stage one covers the area immediately west of the hospital. Stage two is west of Stage one and the development embraces 115 acres.

Under new business Mayor Gibbon expressed his concern over the fact that people had been smoking in the arena, and requested that large signs be hung immediately since smoking in prohibited areas contravenes insurance regulations. It was agreed to have the signs done. Mr. Roberts noted that it had been planned for No Smoking to be painted along the bleachers, but painting of the bleachers

had been delayed.

Mayor Gibbon also stated his opinion that arena parking was not satisfactory, as angle parking on Perron Street on the hill was dangerous. He added that the matter of parking on the entire length of Perron street should be reviewed, perhaps going to parallel parking, and that council should pursue further the matter of off-street parking as well. Council felt that ways should be found to persuade the public to park behind the arena, instead of in front, and Engineer Maandag said every possible help would be given to keep the area behind the arena in good shape for parking.

It was decided to bring the matter of parking on Perron street before the next committee meeting.

Council voted unanimously in favor of grants of \$2,500 to the Kinsman Club in case of a rain-out at their Rodeo, and \$1,000 for the 1971 Rodeo parade. These will be added to the budget estimates.

Councillor Hudson reported on complaints he had received over garbage burning at the dump over the holidays, and councillors had also received complaints.

Mr. Maandag stated that signs warning "No Fires" are posted at the dump and that no burning is done by town staff. The fires were started by persons unknown, possibly in the evening.

Councillor Lukay asked if the fire department could be called, but Mr. Maandag said he agreed with the fire chief that this was not practical. Every effort will be made to try and stop such burning by the public.

Councillor Kambourff was perturbed that control of powerful snowmobiles was not very effective, and just what use the RCMP were making of their machines in this matter. He felt council should have a report from the police. Mayor Gibbon said he had had some discussion with the RCMP and a report would be forthcoming soon.

Councillor de Bruijn enquired as to replies received to ads for an arena supervisor, and was informed that six had been received. It was decided that Councillor White, Secretary O'Connell

and one member of the arena board would review the applications.

Mr. de Bruijn also reported on complaints on the garbage pick-up over the holiday. Mr. Maandag noted that when holidays fall on Fridays it does create a delay problem and that even adding an extra truck it was difficult to keep up. He felt that the garbage people had

actually done a very good job under the circumstances.

Both Councillors de Bruijn and Russell were of the opinion that the whole bus service arrangement should be reviewed immediately.

Councillor Russell noted that under the Act it is now possible to allow extended use of school buses. The matter will come before the next committee meeting.

Rabies shots advised by Health Unit

Because of the possibility that further cases of rabies will occur in the province the following advice is issued by the Sturgeon Health Unit:

1. All dogs and cats should be immunized, preferably once a year.

2. All dogs and cats should wear identification tags.

3. Animals exhibiting strange behaviour should be reported to the police.

4. Children should be warned not to approach or handle such animals or indeed any wild animal.

5. Medical attention should be obtained promptly when a person is bitten by an animal. If a doctor is not available, give first aid by

scrubbing the wound to its full depth for 20 minutes, using a strong soap solution and frequent changes of water; then apply an antiseptic.

6. In such circumstances the animal should if at all possible be secured alive and confined for observation. Advice about suspect animals is available from the Health of Animals Branch, Canada Department of Agriculture. Wild animals should be shot through the heart, the head packed in ice (with due precautions) and sent for examination.

7. Wear heavy gloves if you have to handle a suspect animal, one that has just been bitten or in a fight, or any object a suspect animal may have drooled on.

8. Local regulations concerning restrictions on dogs must be enforced.

9. People who work with wild or possibly infected animals should be protected by immunization. (Make arrangements with the Health Unit).

--Dr. J. M. Howell, Medical Officer of Health.

Watch that smoking in the Arena!

The co-operation of the public is requested to refrain from smoking in the ice-surface area of the arena. A fire in the arena could be disastrous, and even if there was no loss of life this fine new facility could be lost to the town, since smoking is prohibited under the insurance regulations. New No Smoking signs will be posted in the arena shortly.

Town of St. Albert

Notice of Public Hearing

The council of the town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone that area shown on the map i.e. Lot 40, Block 11, Plan 1105 M.C. presently zoned RESIDENTIAL COMPREHENSIVE (RX) to COMMERCIAL CLASS 3 (C3) to accommodate a service station.

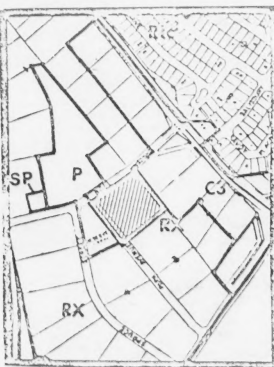

Town of St. Albert

Notice of Public Hearing

The council of the town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone:

That area shown on the map i.e. Lot 9, Block 3, Plan 276 K.S. presently zoned RESIDENTIAL COMPREHENSIVE (RX) be rezoned to COMMERCIAL CLASS 3 (C3) to accommodate a hotel development.

The proposed Bylaw No. 34/70 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers, on the 1st day of February 1971 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the twenty-eighth day of January, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Town of St. Albert

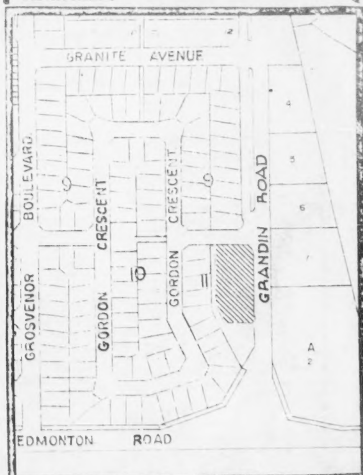

Public Notice

Bylaw No. 38/70 provides for the establishment of an Arena Board to advise council on the planning, co-ordination and evaluation of programs as well as the operation and maintenance of the St. Albert and District arena.

Its membership will be comprised of one member of council and representatives from the community at large.

Anyone interested in serving on this board is invited to submit his application to the undersigned as soon as possible.

D. B. O'Connell,
Secretary-Treasurer.

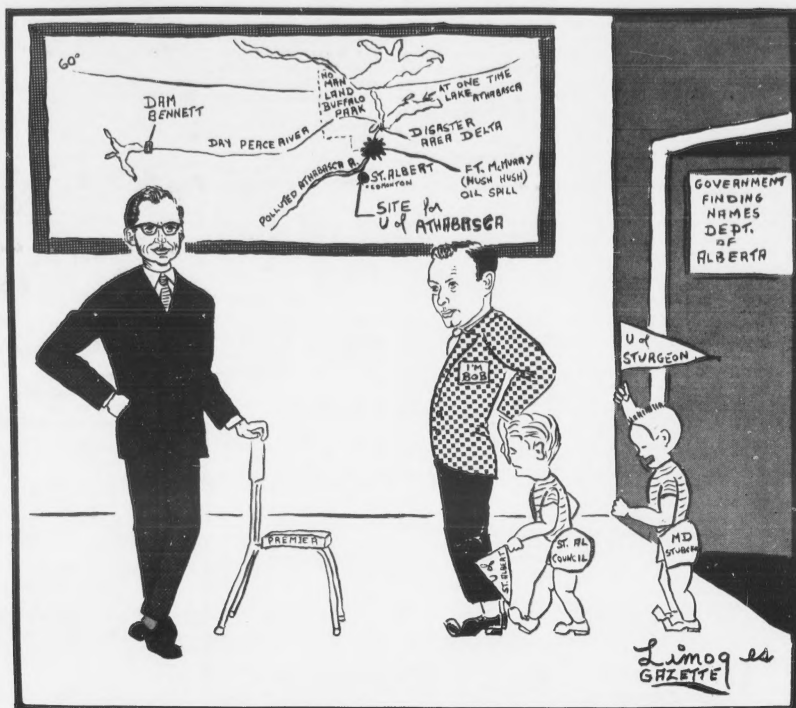

The proposed Bylaw No. 1/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 1st day of February 1971 at 9:30 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 28th day of January 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Marcel De Champlain, St. Albert's Citizen of the Year, was not likely to miss the first day that St. Albert's arena was open, having been a worker on the project since it's earliest conception. Photo shows Marcel taking his daughters for a whirl on Boxing Day. The arena was open afternoon and evening and a good turn-out of local residents enjoyed free public skating on the first day. It has been a very busy centre of activity ever since.

Speaking course begins next week

A course in effective speaking and leadership will be put on in St. Albert beginning Tuesday, Jan. 12. The course is non-denominational, has no age limit, and is open to anyone in St. Albert and the surrounding district.

It is designed primarily to help those who find it difficult to speak in front of an audience, as well as those who hesitate to express themselves at meetings.

Participants will be taught how to introduce and thank guest speakers, the proper way to make as well as accept a presentation, how to organize a talk and also how to deliver it effectively.

The course also emphasizes the God given talents

and dignity of the individual and encourages efforts by participants to do their share to make this world a better place in which to live.

The course takes the form of a workshop in which all participants help each other overcome the inherent fear of speaking before an audience.

The St. Albert course is one of approximately 14 such courses put on in the Edmonton area this winter by the Christopher movement.

Fees are minimal since all instructors and organizers are volunteers.

If you wish to enroll or require further information phone -- Theresa Gibeau 599-8853; Morley Brown, 599-6237; or Bud Gau, 599-3683.

"Authority" chairman will address Fish and Game

On July 1, 1970 the act known as "The Environment Conservation Act" came into law in Alberta. The act provides for a three man group called the "Environment Conservation Authority."

This authority will be concerned with the conservation, management and utilization of natural resources. The control of noise levels is also a matter for concern. There is provision in the act for the authority to be concerned with the preservation of natural resources for their aesthetic value.

Another of their major concerns is a continuing review of policies and programs of the government.

The three-man group will report to and advise the cabinet on environment conservation matters.

The chairman of the authority, Dr. Walter Trost, will address the St. Albert and District Fish and Game Association on what the act means to the individual. Dr. Trost was born and raised in Castor, Alberta, and obtained his first degree from the U of A. He did graduate work at McGill where he received his PhD. His qualifications for the authority are primarily in physics and chemistry. Some post doctorate work was done at Oxford University, and from there he went to the

National Research Council where he was president for a time.

Before being moved to his present position Dr. Trost spent many years in executive positions at universities. These included Dalhousie and the University of Calgary where for a short period he was president. His last job was as president

of a consulting firm involved with studies of transportation, environment and human resource development.

The general meeting of the Fish and Game will be held in the Community Hall on Tuesday, January 12 at 8 p.m.

The public is welcome to attend.

Watch that smoking in the Arena!

The co-operation of the public is requested to refrain from smoking in the ice-surface area of the arena. A fire in the arena could be disastrous, and even if there was no loss of life this fine new facility could be lost to the town, since smoking is prohibited under the insurance regulations. New Year Message

Mayor R. M. Gibbon

On behalf of council and town employees, I wish all residents of the Town of St. Albert a happy and prosperous 1971.

Economically the town enjoyed a good year in 1970 to the extent all cuts in requisitions required by the provincial government were passed on to the residents of St. Albert amounting to a seven and one-half mill decrease. As you may know, very few municipalities gave their taxpayers this benefit. In Edmonton, for example, city council increased the mill rate by one-half mill, despite the provincial reductions. We are very hopeful this practise can be continued in 1971.

1971 saw the addition of an arena to the town's recreational facilities giving us an excellent balance for 1971 and enhancing throughout the province, the high reputation the town already has for its top-rated recreation program.

During 1970 there was good expansion in residential, commercial and industrial properties and indications are excellent for as much or more in 1971.

Again, compliments of the season to all residents of St. Albert and may you all prosper in 1971.

R. M. Gibbon

Guy and Anna-Mary Journoud at work in the arena concession. Guy was awarded the concession by council at their December 14 meeting and began operating it on January 2. He expects to have it fully equipped by Friday. The concession is open from 7-11 each night and all day Saturday and Sunday. Previous hotel experience qualifies Mr. Journoud for this new venture and he is assisted by daughters Marlene and Carol as well as his wife.

As I See It

By Rose Martel

1971 will be a year of decisions for the residents of Alberta. They will have the opportunity to cast votes at least three times - in a provincial election and on municipal councils and school boards. Under new legislation all seats on municipal councils become vacant in October and from then on elections will be held every three years.

As we look back on the events of the past year we can evaluate the work done by our representatives on council boards, and provincial and federal administrations.

As each annual meeting takes place every citizen should make it his duty to attend, participate in the debates, and vote for or against the policies presented.

Each town should support its Chamber of Commerce or Board of Trade. These bodies should be sounding boards for local councils and also have close liaison with all active groups in the community. Their voice should be clear and loud.

One section of community life that has been sadly neglected is the youth of both urban and rural areas. More local support and guidance are needed here. The youngsters have brownies, cubs, guides, scouts and 4-H clubs and these are worthy clubs that merit the best of community support at all times. However, many young people from 14 to 21 do not belong to any groups, and are not eligible for adult groups. These are the ones that may become school drop-outs, with no steady jobs, and are bound to get into mischief. Youth programs are needed, but what is needed more is the involvement of community life in all levels of community life, including school boards and town councils, and Boards of Trade.

As I see it - many changes will take place this year, at all levels of government. I predict that Alberta will

have a minority government after the next election. I also feel that unemployment will remain high for the next six months. After all the elections are over the same problems will face the elected bodies, as those that cause us concern today.

The present system of appointing recreation board members fails to meet the needs of communities involved. The needs of the youth are neglected or ignored in favor of government grants, dispersed at the dictate of a few with influence. Buildings and recreation areas are often kept closed. Building which were supported by government grants to be used by the young people, but which are not, for lack of proper organization or supervision, in many areas in our district.

Vimy News

By Jeanne Laplante

Mr. and Mrs. Ric Renholm and family from Vancouver spent the festive season with Mr. and Mrs. Albert St. Arnaud.

Engagement congratulations to Miss Paulette Sabourin upon her recent engagement to Mr. Daniel Kilfoil of Edmonton. Engagement congratulations are also in order for Mr. Marcel St. Arnaud and Miss Annette Baert from Vimy.

Mr. and Mrs. Laurent Fortier have left for an extended holiday in Arizona.

Mr. F. Landry and daughter Madeleine went to visit the George Greenwoods in Portland over the Yuletide season.

Other visitors in the area were Robert and Yvon Bilodeau, Mr. and Mrs. Marcel Landry from St. Paul.

Local students attend conference on drugs and alcohol

By Holly Hill

St. Albert was represented by six students, three from Paul Kane and three from St. Albert High, at the third annual Youth Conference on Drugs and Alcohol.

The conference is sponsored by the Alcohol-Drug Education Association of Alberta.

Mr. Alf Herald, director of education, for the California Council on Alcohol and Drug problems was the guest speaker.

The purpose of the conference is to provide accurate information on the physical, mental, social and legal aspects of alcohol and drug use or abuse.

The conference was held at the Banff School of Fine Arts, and all meals and accommodation for the 340 attending students were provided by the school.

MONDAY, DECEMBER 28

Students started arriving from every part of the province and some out of the province. Delegates came from Fort St. John and Kamloops, B.C., at 10 a.m. By the time the Edmonton buses got to Banff, almost 1:30

p.m., there was quite a waiting line to go through before you could pay your fees and be assigned a room.

After the students found their rooms they were directed to the theatre, where the lectures were held. The conference was officially opened at 2:30 p.m. The first lecture was started at 3:03 with about one half the students absent, most of them managed to find their way to the theatre before the end of the talk.

"Alcohol as a Drug" was the first talk given by Mr. Herald. "Alcohol is classified as a depressant drug," he told the students, "although it acts as a pseudostimulant before effects reach the brain." He then talked about research being done on alcohol and alcoholism.

Questions were accepted from the audience. Many interesting ideas were brought out by these questions, such as the fact that enough alcohol will permanently damage brain cells and alcoholism cannot be inherited, but susceptibility to alcohol can.

A speaker from Alcoholics Anonymous, introduced

simply as Victor, talked about the problems he had in overcoming his alcoholism and the problems of alcoholism on society.

He said that persons who started drinking as teenagers account for 70 per cent of today's alcoholics.

Victor went on to say how Alcoholics Anonymous had helped him. He had to accept the fact that he was an alcoholic and that he had no power over liquor, before he could be helped. Members of Alcoholics Anonymous warned him about becoming a "dry alcoholic" and told him the symptoms to watch for.

A dry alcoholic is very dangerous, and has a hard problem to overcome. This is the stage that every alcoholic goes through, when he can become drunk without drinking alcohol, and is when he will most likely revert back to being an alcoholic.

He concluded by saying a little bit about Alanon and Alateen family groups.

At 5:30 students were allowed to go for supper. After supper there was a film, entitled Drugs and the Nervous System, and a member of TOC ALPHA talked about the purpose of this organization.

At 8:30 a Sock Hop was held, which all students could attend. After this they were entertained by The Group, a quartet from Edmonton.

TUESDAY, DECEMBER 29

Breakfast was at 8 a.m. which meant everyone up at 7 a.m., this wasn't hard for some of the kids who hadn't gone to bed at all during the night, but it was really tough trying to get the ones up that had had only two or three hours sleep.

At 9 a.m. Mr. Herald gave his second talk -- "Drugs - To Be or Not To Be." He talked about the change over the past 10 years, in California, of drug users, from hard core addicts to the flower children and then to the present speed freaks. He also said that if alcohol had been discovered recently it would have been classified as a dangerous drug because of the potential danger to the user. "Alcohol is the father of drugs, it costs 12 billion dollars annually to help the six and one-half to seven million alcoholics," he said. Adults are responsible for part of the drug abuse problem when they over use or combine such things as tranquilizers, sleeping pills, diet pills or alcohol.

After this talk the audience broke into small discussion groups returning about an hour later for a question period.

During this question period it was said by a member of the audience that the conference, so far, had been definitely biased against the use of drugs and that both sides should be presented equally.

Another student suggested that if members of the audience were really interested in learning about drugs they would give up their free afternoon and attend a special

meeting at 2:30. The free afternoon had been planned to give the students a chance to go skiing, swimming at the upper hot springs pool or shopping.

After lunch, only 60 of the 340 students attended the special session. Fortunately a very knowledgeable speaker had been found on the subject of marijuana. Mr. Mumtaz Akhtar is doing a doctorate at the U of B.C. and his thesis is on marijuana. He gave pertinent information on marijuana and hashish from a Pakistan and North American standpoint. He fielded questions from the audience which was followed by a heated discussion with good participation by the whole group. Those present felt it was a very helpful part of the conference.

Another impromptu speaker was a member of TRUST from Edmonton. He led a discussion dealing with how kids on drugs can get immediate help.

After supper "Charlie Weaver" provided some comical entertainment.

Rev. William Lang spoke about religion and then answered questions from the audience. Following this students were free to attend a ballet, a dance with the Gainsborough Gallery, or catch up on some sleep.

WEDNESDAY, DEC. 30

It was a little harder to make it up in time for breakfast after two sleepless or nearly sleepless nights.

After breakfast Mr. D. Sallenback, a lawyer and school board trustee from Calgary, spoke on the legal aspects of drugs. Many students literally slept through this talk.

Following Mr. Sallenback, Emile Roessingh, a member of the Drug Information Centre in Calgary, spoke on the Social Implications of Drug Abuse.

"Any profession, doctors have the highest vote of narcotic addiction," he said, "but they don't get caught. If you don't get caught, there are no social implications about you." Emile then went on to answer questions from the audience.

About an hour before lunch everyone went back into their discussion groups.

After lunch there was a panel discussion. Members of the panel were Emile Roessingh, Herb McCauley, a marijuana user; Jim Millar of the Alcohol Drug Education Association of Alberta, Mr. Don Whyelan an Edmonton psychologist, and Mr. Alf Herald.

They primarily answered questions from the audience about drugs, the problems of bad trips and the effects certain drugs have on people.

Herb McCauley spoke about his experience with marijuana. He cited that marijuana should only be used for experiencing pleasant situations, not when something has to be done in an orderly fashion.

At 3 p.m. questionnaires were filled out by the students to evaluate the conference.

The buses arrived at the school at 4 p.m. to pick up the students.

No Burning at the Dump!

It sure stinks up our lovely town

And we are not just kidding.

Red Cross nets \$525

The 1970 Red Cross campaign in Morinville and district went "over the top" for the fourth consecutive year with a net return of \$525.

Mrs. Rose Martel, Red Cross campaign chairman, announced the results to the sponsoring group, Les Femmes Chretiennes of Morinville last week.

Thanks to the co-operation of the active participation in the community, namely by the Morinville Lions, the CWL members the ladies of the Morinville United Church, the Alcomade and Mearns citizens and also a cheque from the

Riviere Qui Barre community club, and the sponsoring organization, Les Femmes Chretiennes of Morinville, the objective amount has been reached by donations received by individuals.

On behalf of the Canadian Red Cross officials, a sincere vote of thanks to all who worked donating time and effort to make this campaign successful. Thanks also to the generosity of the people and organizations who made it possible.

Another campaign will be organized this fall and the Morinville Blood Donor Clinic has been slated for Wednesday, Nov. 3, 1971.

Letters To The Editor

Depression Story

The Editor:

In order to tell part of the history of Alberta, the Glenbow Museum in Calgary is planning an exhibition on the story of the Depression. Many of us lived through this period but younger generations have little understanding of the problems and hardships of the 1930's.

Glenbow is attempting to locate any artifacts or items which help tell the Depression story. These include such things as photographs of dust storms, drought, Bennett buggies, strikes, people etc., as well as relief vouchers, meal tickets, notices of hard-times dances, scrip for paying taxes, notices of sale of property for taxes,

letters and diaries. We are also searching for appropriate artifacts such as flour sack clothing or tools and furniture made during the Depression.

We are sure that many of your readers must have items like this which they could provide for the display. We hope that they will write to: Hugh A. Dempsey, Glenbow Alberta Institute, 902 - 11 Avenue, S.W., Calgary 3. With the help of everyone, we should be able to show what the Depression was really like.

Hugh A. Dempsey.

There is sometimes a pretty slim margin between keeping your chin up and sticking your neck out.

Town Dump

The Editor:

In the Nov. 25, 1970 issue of the Gazette you published excerpts from report, prepared by the Air Pollution Control section of the provincial Department of Health.

The report stated that the level of particulate matter in St. Albert air from April to October, 1970, was, on the average, 66.3 per cent higher than the recom-

ended level for healthy living conditions. On August 1, 1970 the particulate matter content in the air was 313 per cent higher than the recommended level.

Is there any reader that does not recognize the significance of those figures?

To quote the Gazette -- ".....from any angle you care to look at them, they're bad. The culprit in industry free St. Albert is the town dump."

During the past year the provincial government passed legislation that made it illegal to burn garbage after January 1, 1971. For that reason, one would not expect to find burning garbage in any area of Alberta; least of all in St. Albert. So, on January 3 and 4, 1971 the St. Albert garbage dump was burning and puffing up particulate matter with reckless abandon. The small that accompanied that incendiary action was sickening, as usual. There is no excuse for this complete disregard for the health of the people of this town, that has been demonstrated by the town government. What has to be done to our health to make the Gazette and the people of this town speak out in anger and concern?

John Dean.

Party planned for engaged girls

Calling all brides-to-be! If your plans call for a wedding in May or later, you're invited to attend an engagement announcement party to be held in the Chateau Lacombe Alberta Room, Jan. 18 at 7:45 p.m.

Welcome Wagon International, sponsors of the party, are inviting brides-to-be in the Edmonton area to join them for an evening of en-

tertainment which will include a fashion show, displays of wedding ideas, door prizes and gifts. Some lucky girl will win a complete bridal ensemble, and there are a number of other valuable door prizes, including a night in the bridal suite of the Chateau Lacombe.

There is no cost or obligation and each bride-to-be

Then there's the one about the little boy who couldn't stand Santa Claus. Luckily his father was a psychiatrist and diagnosed it quickly: Claustrophobia.

It used to be that 10 cents was big money. My, how times have changed.

Card of Thanks

A general thank you to all our friends and neighbors for their many acts of kindness and floral tributes in our hour of need. A special thank you to the doctors and staff of the W. W. Cross Cancer Clinic and the Ladies Auxiliary of the St. Albert Legion.

Travel Agency opens in St. Albert

PAT HEUTEN

St. Albert will have a travel agency for the first time when Hilten Travel opens its doors on Thursday. It will also be a "first" for Mr. Pat Heuten who, after 14 years in the travel field has decided to open his own agency.

Mr. Heuten has had 10 years experience with CNR, served as a travel consultant with AMA, was a charter flight salesman with

Pacific Western Airlines and spent one year as tour and sales co-ordinator with Sun Travel.

A complete travel service is being offered by Hilten Travel for businessmen and families vacations. All types of trip financing arrangements will be available. In the immediate future plans are being made for a charter flight to London and two Las Vegas junkets.

In the fall Mr. Heuten hopes to organize a "Beerfest" tour to Munich, Germany. The tour would be for one month at an approximate cost of \$495.

At present partitioning and furnishing of the new office downstairs at 12 Parson Street is going forward.

Mr. Heuten has been a resident of St. Albert since 1959 and feels there are excellent prospects for a successful travel business here. He is married and Pat and Jean have three children, two attending Father Jan school and one a pre-schooler. They live on Mount Royal Drive.

Legal Locals

By Lucienne Montpetit

Mr. and Mrs. Paul Ozpiko have returned from a two week holiday in beautiful Hawaii.

Leo Seguin, Lucien Larose, Daniel Lachance and Denis Bordzak travelled by car to Las Vegas, Nevada to spend Christmas with Mr. and Mrs. Wilfred Seguin, Leo's parents. The boys visited the beautiful sights, also took in a few nightclubs to return home on Dec. 29. They all had a wonderful time and enjoyed their motor trip and "warm" Christmas.

Some 30 students delighted many families Christmas Eve carolling old favorite Christmas carols sung from house to house. The group was under the direction of Mr. Raymond Tremblay.

Mr. and Mrs. Roland Bilodeau are proud to announce the arrival of their bouncing baby boy, Ronald's proud godparents are Mr. and Mrs. Claude Bilodeau from St. Albert.

The annual New Year's Eve frolic sponsored by the Knights of Columbus was a tremendous success again this year. Celebrations got under way at 8:30 p.m. and supper was served at 1 a.m. The beautifully decorated hall gave a real festive air to ring out the old and bring in the New Year. The singing music of the Satellites had everyone dancing. A most enjoyable ending for the year 70 and the beginning of 1971.

Mr. and Mrs. Rene Shank were delighted by their pre-Christmas gift: "A newborn son Jason Jeffrey born on Page 10

Dec. 24 at 11:50 p.m. A brother for Bradley and Barbara.

Mr. and Mrs. Lucien Ouellette and family from Lethbridge spent the Christmas holidays visiting friends and relatives in the district.

The figure skating lessons will resume Saturday, Jan. 9 at 10 a.m. Fee must be paid or the child will not be able to take the lesson.

Legal Open Bonspiel Jan. 20 - 24. The first 24 rinks will be accepted.

Mr. and Mrs. Maclela (Mickey) Casavant returned recently after spending 15 months at Cheticamp, Nova Scotia. Mr. Casavant is a social worker and he will continue his work in Edmonton.

The needlepoint session will be held on Jan. 12 at 1 p.m. The rug-making session will be held on Jan. 19 at 1 p.m., at the Recreation Centre. Material will be available there.

Best wishes for a speedy recovery is extended to Mrs. Paul Chauvet, Mr. and Mrs. Meysemborg, who are hospitalized.

The manager put a new sign in the office. "Don't hesitate to let us know!" The first employee to read it asked for a raise, the second went home immediately, and the third punched the manager in the nose.

Delta Symposium next week

The Peace-Athabasca Delta Symposium sponsored by The University of Alberta will be held January 14 and 15 in the Northern Alberta Jubilee Auditorium. The symposium has been arranged to provide a forum for the exchange of information of the Peace-Athabasca Delta and to encourage

people with various scientific and professional interests to communicate with each other in order to improve their understanding of the effects of changes in the Delta.

It is hoped that the formal papers and discussion will help in defining the problems of the Delta, possible

avenues for their solution, and make a general contribution to knowledge which will assist in future decision making relating to resource development.

It is not the purpose of the symposium to assess blame for problems real or imagined. Its major objective is to expand people's perception of river basin problems and to improve understanding.

Among the papers to be presented are included papers on geology and hydrology; biology and ecology; social, economic, and legal aspects; and implications and outlook.

The registration fee of \$14 includes lunch on both days and a dinner on the evening of January 14 which will be attended by Indian and Metis leaders from Lake Athabasca.

Revocat Tailleur dies at 74

MORINVILLE - On Dec. 28 Mr. Revocat Tailleur, 74, long time resident of the district and son of the late Mr. and Mrs. Josephat Tailleur, passed away after a three week stay in hospital.

Funeral services were held in St. John Baptist R.C. church on Monday, Jan. 4 with a nephew Ray Alphonse Roy, O.M.I., officiating. Interment followed in the local church cemetery.

Born in Ripon, Conte de

Labelle, P.Q., the late Mr. Tailleur arrived in Morinville in 1899 at the age of three years, with his parents, one brother, Josephat Jr. and one sister, Florina. He attended the former Teller school and continued farming in the district.

In 1917 he married Miss Anna Peltier from Calder in St. Edmond church in Edmonton. The young couple settled on a farm of their own and continued to live in their country farm home

until his death recently.

Ten children were born of this marriage, and eight are still living. Their eldest son, Lucien, died in infancy in 1918, and another daughter Mrs. Cyprien (Florina) Pilon, of Vancouver, died at the age of 50, one year ago.

All eight children and grandchildren were present at the funeral of their father.

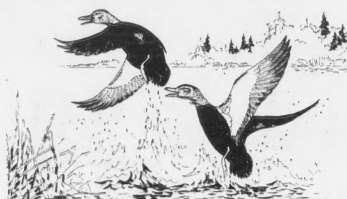

He is survived by his widow, Anna at home, four sons; Alphonse of Edmonton; Maurice, Morinville; Clement, Seria, Borneo; Laurent, Malaysia. Also four daughters Mrs. Joseph

(Theres) Royer, Edmonton; Mrs. Elmer (Yvonne) Johnson, Stephano, Michigan; Mrs. Gustave (Lucille) Theberge, Edmonton; Mrs. Henri (Pauline) Defosses, Edmonton. Also 30 grandchildren, and eight great grandchildren.

One brother, Ferdinand of Edmonton and five sisters, Mrs. Rose-Anna Peltier, Lac la Piche; Mrs. Rosa Roy, Fort Kent; Mrs. Lina Roy, Edmonton; Mrs. Flora Anna Courchesne, Ft. Saskatchewan; Mrs. Marie Comrie, Fort Kent.

To the bereaved family a sincere expression of sympathy on behalf of the entire community.

MARSH WORLD by LANGUISH SHORTT Ducks Unlimited

BLACK DUCK

Eastern relative of the mallard, this duck has earned a reputation for wariness unequalled among ducks. Though widely distributed in eastern Canada, it is not found in large flocks like the mallard. Tree bordered marshes and swamps are favorite habitat. Age governs the leg coloring in drakes and the real red-leg is a mature bird. Average weight is about three and one-half pounds. Frequents both fresh and salt water marshes. Ducks Unlimited projects in the Maritimes benefit this splendid duck.

PAINTED TURTLE

A common, widely distributed turtle found in marshes, swamps, around lakes and along rivers and streams. It ranges across southern Canada to the foothills. Average length about 6 inches (shell). The under-shell (plastron) has a bright pattern of red and yellow, less pronounced in the eastern form. The upper shell (carapace) is dark greenish-black with some red or yellow on the edge plates, the head is black with bold yellow stripes. Food, chiefly vegetable matter, insects and crustaceans.

ST. ALBERT & STURGEON GAZETTE

Nick Orydzuk passes

Cardiff was saddened by the sudden death of Nick Orydzuk who passed away on January 1.

He is survived by two brothers, Harry of Edmonton; Steve of Cranbrook, B.C. and a daughter Wanda Dickie of Calgary.

Nick came to Cardiff from Edmonton with his parents and brothers in 1915. He attended school in Vegreville for seven years and finished his schooling in Cardiff.

He served in the navy during World War 11 and was on active duty on an escort

vessel that landed troops on the Normandy Coast on D Day.

After his discharge in 1945 he worked in the Cardiff mine for about two years and since was employed with the CNR.

He was predeceased by his mother who died at the time of the 1918 influenza epidemic and his father in 1967.

Funeral services were conducted at the Park Memorial Chapel with interment in St. Michael's cemetery. Heartfelt sympathy is extended to his family by the community.

Burns-Pelletier wedding

By Jeanne Laplante

Our Lady of Victories church Vimy, was the scene of a pretty afternoon wedding Dec. 19 when Miss Joyce Burns, daughter of Mr. and Mrs. John Burns of Vimy and Mr. Roger Pelletier, son of Mr. and Mrs. Arthur Pelletier of Legal were united in a double ring ceremony performed by Rev. A. Desjardins.

Glenn in marriage by her father the radiant bride chose a formal white gown sole gown featuring empire waistline, A-line skirt, mandarin collar and long sleeves. A detachable train enhanced the shoulder line. Her three layered chapel veil was entwined in her bouffant hairdo and she carried a cascade of white roses with red rosebud streamers.

Her three bridesmaids, Misses Paulette Tirry, Julie and Louise Gagne wore identical gowns of velvet with empire waistlines and A-line skirts. Each carried nosegays of pink roses.

Attending the groom were Mr. Ray Gagneau, Mr. Maurice Giguere and Mr. Ron Laberge. Ushers were the bride's brothers, Louis and Bill Burns. Mrs. G. Proven-

cal was organist and solos were rendered by Mrs. Provencal and Mrs. M. Bernard.

Following the church ceremony a reception and banquet were held at the Legal Community Hall for some 80 guests. Mr. Paul St. Arnaud was master of ceremonies and the toast to the bride was proposed by Robert Burns.

For her daughter's wedding, the bride's mother chose a purple ensemble with brown accessories and pale yellow roses on corsage. Mrs. Pelletier wore a two piece suit of apple green fortel complimented by silver accessories and peach roses formed her corsage.

A wedding dance with some 350 guests present concluded the evening social. The bride's going away attire was a two piece pink orlon suit with black accessories and a corsage of white roses.

Mr. and Mrs. Pelletier will reside in Legal.

Out of town guests included Mr. and Mrs. W. Burns from Prince George, B.C. Mr. and Mrs. Louis Burns from Hines Creek, Mr. Lee Morin and Miss A. Pelletier from Grande Prairie.

WEDNESDAY, JANUARY 6, 1971

Mr. and Mrs. Matt Hittinger join hands to cut their cake during the celebration of their 40th wedding anniversary in the Recreation Centre. Shown seated at left is Mrs. Michael Hittinger, bridesmaid for the occasion. With his back to the camera is their eldest son, Gordon Hittinger, and one of their grandsons.

Hittingers celebrate 40th wedding anniversary

Mr. and Mrs. Matt Hittinger of Morinville celebrated their 40th wedding anniversary on Dec. 26. An anniversary mass was celebrated by Rev. G. H. Priemeau and four grandsons, Bernard, Donald, David and Kevin Hittinger served as altar boys. Mrs. Bertha Kennedy from St. Albert was organist and Mrs. Muriel Krauskopf, soloist.

Following the evening service a social followed in the Morinville Recreation Centre with some 175 relatives and guests present. The master of ceremonies was Mr. Pete Gibault. The evening was enjoyed in dancing and a midnight supper was served. The couple were presented with a purse by Mr. Gibault with the good wishes of their children, grandchildren, relatives and friends.

For the occasion the couple were accompanied by Mr. and Mrs. Michael Hittinger, as bridesmaid and best man.

Mrs. Hittinger was charming in a white crepe dress with bronze seed bead trim. Her accessories were sil-

ver slippers and matching hand bag, white gloves and red roses on corsage.

Mr. and Mrs. Hittinger (formerly Miss Brigit Williams of Riviere Qui Barre) were married on Dec. 30, 1930 in St. Emerance church by the late Rev. Father McIntyre. The newlyweds settled on a farm, the former homestead of the late Michael Hittinger Sr., southwest of Morinville.

They were blessed with a family of four children. Three sons, Gordon, Patrick, Melvin, live in the district and daughter Linda is now in Edmonton. They continued to farm until their retirement to Morinville in 1963.

There are 15 grandchildren and 14 of them were present at the celebration. Missing was the eldest George Hittinger, now living Los Angeles. Mrs. Rose Williams of Edmonton, mother of the Mrs. Hittinger, was present along with a number of out of town relatives and friends.

Telegrams and congratulations were received from relatives in the States.

Morinville Memos

The Christmas holidays passed with the usual family gatherings, and both local community New Year's Eve parties were successful. The Morinville Canadian Legion Branch hosted some 60 members and guests for a very entertaining social evening at the Morinville Legion Hall. The Morinville Church Council, sponsored a gay party at the Morinville Recreation Centre, and some 350 guests were reported in attendance.

Among the out of town guests visiting families during the holidays were Rev. Sister Terrence Bolsonnault, Rev. Sister Terrence Maunier, Rev. Lucie Shaeen, George Bulger, RCAF Trenton, Ont., Randy Kryskow, Chatham New Brunswick, Miss Therese Perras. Mrs. Andy Gervais had the pleasure to welcome her mother, Mrs. Henri Chouin from Ponteix, Sask. Mrs. Rose Williams of Edmonton is a guest at the home of Mr. and Mrs. Matt Hittinger.

Congratulations to the students at Georges Vanier High school in Morinville and the teachers responsible for the organizing and gathering of a good assortment of gifts under the sponsorship of Santa Anonymous, which made two local needy families a very nice Christmas possible for parents and children alike.

Sincere expression of sympathy to Mrs. Revocet Tailleux and members of the family on the death of her husband, the late Revocet Tailleux on Dec. 28 at the age of 74, after a three week stay in hospital.

Another last minute reminder that on Saturday, Jan. 9 beginning at 1 p.m. in the afternoon the Morinville Scouts and Cubs will hold a bottle drive in the town of Morinville. The students are requested to have their bottles ready and if absent, please leave your bottles outside ready for the afternoon pick up.

The winners of the Morinville Sunday School craft class draw were - Sidney Pike and Terry Barilla both of Morinville. The children and teacher, Mrs. Lloyd Granger, wish to thank all the citizens who supported their efforts in their money raising project.

Congratulations to Mr. and Mrs. Matt Hittinger who celebrated their 40th wedding anniversary on Dec. 26. See other parts of this issue for more details.

Winners of the 1970 Christmas Home Decoration contest in Morinville, sponsored by the Morinville Board of Trade, were - first prize, the Vincent Curtis home; second prize went to the Clarence Steffes residence; and the Alphonse Nobert home was awarded the third prize. Honorable mentions were awarded to the residents of the Morinville Trailer Court for their colorful decorations among the trailer homes, also to the Ross Yolland, Pat Short and Gilbert Boddez residences. Contest committee members were Mr. Camille Gregoire and Ross Yolland. Judges who toured the town and selected the winners were Mrs. Arthur Stapleton and Mrs. Roger Champagne.

The leaders of the district have been invited to issue a New Year's message to the people of the M.D. of Sturgeon, Legal, Morinville and St. Albert. Rev. J. E. McGee, parish priest of St. Charles, St. Emmerance and Busby mission, kindly contributed a spiritual message for this edition. We hope every reader enjoys the contribution made by various community leaders in our area in this issue.

Beginning on Jan. 1, 1971 Morinville and district are without a practising resident doctor. Dr. George Clark, who has been serving the local community for the past 12 years, retired at the end of the year. He and Mrs. Clark are scheduled to leave on Jan. 16 for a six week holiday in England. The couple are to return to live in Morinville but Dr. Clark intends to live in retirement and his office will remain closed.

Beef Club formed at Riviere Qui Barre

Nine young people of Riviere Qui Barre have formed a new 4-H Beef Club. They are: Darrel Sheehan (president); Danny Sheehan (vice-president); Bernice McGillis (secretary); Cliff Burns (treasurer); Kevin Boddez (reporter); Carren Perrott, Elaine Van Brabant Robert Witcheen, Peter Dhoet and club leaders are Gordon Phur, Alvin Dhoet, Allan McDonell. Members made a tour to see all the calves on Dec. 29.

The club is holding a skating party on Jan. 29, at 8 p.m. at Riviere Qui Barre, music provided and refreshments sold. Everyone welcome.

Mr. and Mrs. Ross Yolland and family will leave Morinville shortly when Mr. Yolland assumes his duties as manager of the Palisade Square Branch of the Royal Bank in Calgary. Mr. Don Kotylar will replace Mr. Yolland as senior loan officer at the Morinville branch. Mr. and Mrs. Kotylar (Brenda) and their family will

take over the present Yolland residence in Morinville. Mr. Ray Sitsen also of the Morinville branch of the Royal Bank has been promoted to the Southgate shopping branch in Edmonton. Mrs. Lorette Champagne will assume the duties as chief accountant in Morinville, replacing Mr. Sitsen.

Proposed Airport Development

Take notice that the Council of the Municipal District of Sturgeon No. 90 has approved in principle the development of an airport to be located on four quarters of land, namely the N.W. 17, N.E. 18, S.E. 19 and S.W. 20-55-22-4.

The approval is subject to the objections, if any, being submitted to the undersigned prior to the January 28, 1971 meeting at which time same will be considered by Council.

Alphonse Nobert,
Secretary-Treasurer.

Cancellation of Road Plan No 4406EO

PL. S.W. 18-55-24-4 (5 acres)

A by-law for the cancellation of road plan #4406 EO in the S.W. 18-55-24-4 containing 5 acres more or less will be presented to Council at the meeting to be held January 14, 1971 at 2:00 p.m. in the Municipal Office, Morinville, Alberta.

Persons objecting to the cancellation of the above noted road plan are to present their objections to the undersigned prior to the meeting or at the meeting.

Alphonse Nobert,
Secretary-Treasurer.

Notice of Preparation of Assessment Roll 1970

VILLAGE OF GIBBONS
PROVINCE OF ALBERTA

Notice is hereby given that the assessment roll of the said municipality, made under the provisions of the Municipal Taxation Act Chapter 54, has been prepared and will, for thirty (30) days, be open to inspection at the office of the secretary-treasurer of the municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the secretary-treasurer of the municipality. Dated this 31st day of December, 1970.

NEW YEARS MESSAGES

We are now on the threshold of a New Year, the second of a new decade, the 1970s, and everyone is going around wishing each other a Happy New Year, Health and Prosperity and all that kind of stuff. The spirit of jubilation is in the air. While all this is going on we can not but wonder how much of this is genuine, or what does it all mean. To us it is a lot like Christmas, just an excuse for having a party and going around with bleary eyes and fuzzy speech trying to make a good fellow of yourself, and many times, an awful nuisance. There are such a lot of hollow, meaningless empty phrases thrown around at this time of the year.

This may not seem to be in the spirit of the season, but the trouble is that this is what happens, and again it is the abuse, rather than the use of the way we "celebrate" that holds sway. On the other hand we have cause to celebrate and to spread our good wishes. Indeed we are most fortunate in our part of the globe, but so often we can only think of what we are going to get out of our efforts, rather than what we are going to contribute to it. Perhaps some will not like the foregoing remarks, nevertheless it will be difficult to deny them.

Civic leaders and many others are expressing their good wishes at this time of the year and the theme, although expressed in different ways, is nearly always the same. We all want peace and prosperity all through the year, but we must make some effort on our own part in order to obtain it.

This can start on a very local level. In our own homes and in our business dealings. We must participate and co-operate. This takes effort the year round. New Year's Day is just not another excuse for having parties or celebrations that leave us the worse for wear the next day. On the contrary it is the start of a new era and we must face it as intelligent human beings having an intellect and a free will.

When we consider the conditions in other parts of the world, war, hunger, famine, political unrest, then we have a lot to be thankful for. One thing we forget as we take our good fortune for granted, is to thank God for all His wonderful graces

and blessings. So many never even give this a thought and once again we prefer the usual wishes and hopes without ever thanking God for His part in the matter or in sincere humility ask His help in our feeble efforts for the year just commenced. If we do not do this and are only concerned in boisterous celebrations, then in the words of the Great Apostle St. Paul we are nothing more than a "sounding brass and tinkling cymbal".

We sincerely hope that most of the readers are really serious about these New Year's Wishes and that with the help of God they will be fulfilled and peace and well-being will be our lot in 1971, therefore it is with these sentiments that we add our wishes to the multitudes you have already received, that God will bless your undertakings and keep you in health and reasonable good fortune in 1971.

Rev. J. E. McGrane, P.P.
St. Charles Parish,
Mearns, Alberta.

Je voudrais offrir à tous mes paroissiens de Legal des vœux sincères pour une bonne, heureuse et saine année. Que l'Année nouvelle prospère. Que la paix et l'unité règne dans tous les cœurs, dans nos familles et dans notre communauté. Puissent 1971 soit pour tous une année d'édification et dans la foi au Christ, ainsi le monde sera meilleur parce que nous aurons vécu.

It is a pleasure for me to extend my sincere greetings to all our parishioners of Legal. May 1971 be for all of us a Year of worthwhile achievements. With the many changes in every field of life, may we understand better our neighbor and open our heart to the less fortunate who can have a better life with our love for them. The world will be better because we are in it. May God bless us all and continue to bring us peace, unity and understanding in our own community.

Rsv. R. Bissonnette,
Legal, Alberta

A NEW YEAR MESSAGE TO THE ST. ALBERT CONSTITUENTS

Yes, 1970 has come and gone, a year that will be remembered for decades. The headlines of the past year must surely reflect a condition of unrest and turmoil, throughout the world. Canadians themselves were shocked with the events that took place in the Province of Quebec in the month of October. Prime Minister Trudeau's quick and decisive action was highly commendable. Here in the Province of Alberta Hon. Harry Strom completed his first year as Premier of this Province and with respect from all who watched him in action.

As far as the constituency of St. Albert is concerned, we can look back with pride on the goals achieved. It was extremely satisfying to witness the opening of the Sturgeon General Hospital and to also have knowledge that it is operating satisfactorily.

The announcement by the Hon. Robert Clark that the new university would be built in the constituency of St. Albert was received with great enthusiasm. Highway 37 now with its first coat of concrete and the relocating of the Fort Trail will bring our main highways into excellent shape. The seventies appear to be starting with a philosophy of concern. Of major interest to all is the pollution of our environment throughout the entire world as industrial and urban development continue.

It is at this time of year many new resolutions are made and many broken; however, I believe every one of us has an important role to play in the restoration of temperate thought and the generation of an honest belief in the adherence to a moral ethic that embraces the good of all humanity.

Dark days there'll be for you and me:
No doubt: we'll grouse awhile.

But courage and a bit of faith
Will help us all to smile
Be strong, let not your spirits fall.

There's lots of joy to come this year.

My wife joins in wishing each and everyone of you a very Happy New Year and may all of you enjoy an abundance of God's blessing.

Keith Everitt, M.A.

Morinville Locals

Dale Vranas, president of the Morinville M.F.T., reported that Constable Seymour, of the local RCMP detachment was the winner of the case of whiskey raffled off during the holidays.

The Sturgeon Upholstery in Morinville is now moved to the form-r radiator shop; in Morinville, located west of the Meunier Farm Equipment Ltd. building.

FROM THE MAYOR'S CHAIR

Once more another year has moved into the history of the Town of Morinville, to take its place with the long and interesting past of the town.

Looking back over the year of 1970, many interesting and varied events have taken place.

During the early part of the year, prior to the spring break-up plans were being formed for the start of a complete building program on the streets in the town. To some of our people, this seemed like too ambitious a program for the town. But I am still of the conviction that the property owners of Morinville deserved something more than holding the Status Quo of patch upon patch, as far as general benefit spending was concerned. A wise old sage once said "Patch against Patch was neighborly, But Patch upon Patch is beggarly." Your council and myself did not think that Morinville deserves the latter connotation. May I on behalf of your council and myself express our deep appreciation for your tolerance and understanding during some very trying periods last summer, due to bad weather.

Morinville I am sure is on the doorstep of its greatest expansion. In the very near future many new and interesting developments will take place. But it will take your co-operation to see that these new features work out for the greatest good, both from the viewpoint of environment and social economic benefits.

This winter we seem to be enjoying more than an abundance of snow. Many people have asked me "what about snow removal." Well folks snow will be a very minor detail next July. I will admit that at the present time it is an inconvenience to travelling around, but I will also state that snow removal is very costly, and we cannot have our cake and eat it. If we spend on snow removal now we will not be able to use your money for general benefit next summer. We will however endeavour to keep the roads as passable as we possibly can by grading and packing the snow from time to time.

Over the past year we have acquired a large number of new residents. May I at this time extend a hearty welcome to you and your families. Whoever you are, or wherever you came from, may I once again ask you to become involved in all the social aspects of the town, for I am sure that many and varied are the contributions you can share with us, to make Morinville a better place in which to live.

To those who have been greeted with the loss of loved ones during the past

year, May the Peace of God which passes all understanding be given you at this time.

To those less fortunate than ourselves may a few more rays of sunshine, and better ways be found to place you in better surroundings in 1971.

I feel that I would be very remiss if I did not refer at this time to our unsung but very dedicated groups of people who serve you in appointed or elected positions.

To our beloved Priest the Rev. Father Primeau.
To the school board chairman and trustees.

To the recreation board, To the library board, To the clubs and associations.

To the deputy mayor, councillors, and administrative staff.

To the entire student body of Thibault School for their kind, considerate and generous contribution via the Santa anonymous project, you too have shown a true community spirit.

And last, but by no means the least, you the people of the town of Morinville.

Thank you for the wonderful co-operation during 1970 which has made my job as mayor much easier, and more pleasant, than any other endeavour I may have undertaken.

To you all, may I wish you a happy, healthy, and prosperous New Year.

A. Stapleton,
Mayor.

MORINVILLE BOARD OF TRADE PRESIDENT 1971

New Year's celebrations are over and now we must settle down to making 1971 a happy and prosperous one. The future holds what we make of it -- nothing worthwhile comes easy.

The Board of Trade is faced with a tremendous task of again promoting trade and good will throughout the town and district. Let us look to the future as never before and realize that life must have more than just financial values, it must have moral and social values as well or we will be living in a decaying society.

To the young people I would like to say that history is continually repeating itself, you are the dissenters of today while we were the dissenters of yesterday. Soon you will belong to the Establishment.

To the business people I am going to ask you to support your Board of Trade.

Come out to the meetings, bring your ideas however great or small they may seem to you. The future of the community depends on you, your efforts are needed NOW -- join and support the Board of Trade.

I wish to take this opportunity to wish one and all a Happy and Prosperous New Year.

Lou Calder
President Morinville Board of Trade.

MITES

In the mite division the Totems under coach Bernard Kathol are having very little trouble with scoring and winning. The Totems have played four games to date and won them all.

Centre ice man Todd Winquist is scoring goals at a fast clip with 16 to date. Their other centre ice man Marty Schiebelhofer, small in size, but big in desire, has seven goals.

TODD WINQUIST

with Jimmy Schiebelhofer scoring three goals. Rory Ryder and Trav Parayko each scored twice with Michael Mitchell and Helgi Eyford adding singles.

In a game played last night at the Sturgeon Link Legion defeated the Lions 7 - 5 with Laurie Loshack scoring four goals, Ronnie Saunders two, and Ron Last-wika one.

Jimmy Schiebelhofer led the Lions with three goals while Dale Kotch scored twice.

JIMMY SCHIEBELHOFER

BANTAMS

St. Albert Blackhawks are undefeated and have allowed no goals in the two games they have played in league play to date. Their first game was a 5 - 0 shut-out over the Canadians with Terry Kieser scoring twice and singles coming from Gary Bruin, Henry Roy and Sandy Millroy. Maurice Valli had little work in goal to record the shut-out.

Against the Stedebauer club the Blackhawks scored eight quick goals and after the first period they toyed with their opposition.

The writer witnessed the game and had the Blackhawks wanted to they could have scored 20 or more goals. Terry Kieser scored twice with Gary Bruins, Henry Roy, Howie Mitchell,

MARTY SCHIEBELHOFER

PEE WEE

In the pee wee division the Lions defeated the Kings in the arena last Saturday 9 - 1

Leduc defeat Comets

Second place Leduc Oilers defeated the St. Albert Comets 8 - 6 in an Edmonton Central Hockey League game played in Leduc last Sunday.

Comets leading scorer Jim Read put St. Albert ahead 1 - 0 at the 2:09 mark of the first period with Al Laplante assisting.

Laplante was playing his first game with the Comets and looked very good in view of not having played to date. He was a member of the Alberta Golden Bears hockey team and also saw action with the Lacombe Rockets in the Alberta Central Hockey League.

Leduc took two penalties at the 10:05 mark for a 2 - 0 lead. Laplante and captain Fred Hesse drew assists. Leduc came back before the period ended with goals from Gary Leskow and Greg Wilkes.

Laplante opened the second period scoring at the 2:10 mark with Terry Dube and Norm Buhl assisting to pull ahead 3 - 2. The

lead was short lived as Leduc came back with three unanswered goals by Reinhart, Dolsky and Poland for a 5 - 3 lead.

Comets managed to score early in the third with Doug Knisley blinking the light to bring the Comets to within one goal. Wilkes scored his one goal.

Wilkes scored his second goal at the 4:20 mark of the third to put Leduc ahead 6 - 4.

One minute later Read scored his third goal to reduce Leduc's lead 6 - 5. Leduc went ahead 7 - 5 on Al McKerricher's goal which also turned out to be the winner.

Laplante scored his second goal with Read and Gerry Magman drawing assists to bring the Comets to within one, but Ken Burrows scored with a little more than a minute left in the game for the final score of 8 - 6.

Most of the players felt it was their best showing to date. Newcomers, Laplante and Steve Lymes, who was with the Comets last year before being injured will no doubt help.

John Koch, Richard Carignan and Chris Krupa scoring singles. Goal tender Maurice Valli had only three shots to stop in the game as he recorded his second shut-out in a row.

Co-op Bantams with coach Reg Kotch directing traffic have also won their first two games coming up with a 3 - 1 win over the Canadians and a 4 - 1 victory over the Seals.

In the game against the Canadians, Roger Meunier

led the way with two goals while Jim Valli and Rick Gagner scored one each. Gagner scored twice against the Seals and Meunier counted the other.

Last Monday saw the Safe-way Maple Leafs coast to an easy 6 - 1 win over the winless Stedebauer club with Denis Saunche and Jamie Smith scoring twice with singles going to Greg Thibert and Tony Neilson. Steve Lister scored Stedebauer's only goal.

Knights Aid Kin Hockey Program

Tuesday evening Mr. Raymond LaFrance, on behalf of the Knights of Columbus, St. Albert Council, presented a cheque for \$300 to Mr. Fred Caulkins, chairman of the Kinsmen Minor Hockey Program in St. Albert. The funds will support

one shaver team (boys 6 - 8), one Mite team (9 and 10) and one Pee wee team (boys 11 and 12).

The funds were voted at the last meeting of the Knights, who each year assist the Kinsmen hockey program in this way.

Blackhawks win Exhibition

St. Albert's Blackhawks Bantams coached by Doug Millroy travelled into Edmonton last Sunday to play an exhibition game with the Parkdale bantams and came away with a 4 - 1 victory.

Blackhawks led 2 - 1 after the first period and 4 - 1 at the end of the second.

Scoring for the Blackhawks were Terry Kieser, Jack Werbecki, Claude Remigold and Gary Bruins.

Real estate salesman: "Would you like to see a model home?"

Prospect: "Glad to. What time does she quit work?"

Application forms may be obtained at the Town Hall and should be completed and returned to the undersigned no later than Monday, January 11, 1971.

D. B. O'CONNELL,
SECRETARY-TREASURER

Comets make first appearance in Arena this week-end

Local hockey fans will be able to see St. Albert's senior team, the Comets, in action in the new arena for the first time Friday night, when they will host the Sherwood Park Barons.

Game goes at 8:30 p.m. On Sunday night they will meet the Nuts and Bolts team from Edmonton, when game time is 7 p.m.

Coach Ron Yanosik has brought in some new players and is hopeful that with some practice sessions the team will be off and running.

The Comet's program will be available soon and in the meantime a player line-up is listed for the benefit of fans who will be taking in this weekend's games.

All the hockey teams provide the spectators with real good hockey and they do show sportsmanship. Come, cheer, encourage, give them your support, plan to attend the games regularly at the Legal Arena.

The arena also provides you with food fit for the "Queen" at very reasonable prices. The ladies are always pleased to serve you.

Keep your schedule on hand and attend those games.

On Friday, Jan. 8, St. Albert High will be travelling to Concordia College for a basketball doubleheader. The bus will be leaving downtown St. Albert at 6 p.m. and returning at approximately 11:30 p.m. The first 15 spectators giving their name and \$5 to Sharon Willis will be able to make the bus trip.

EXHIBITION GAMES

The senior high teams each played a game against the Alumni over the Christmas holidays and the "Old-timers" came out victorious in both games.

JR. HIGH BASKETBALL

The Junior high league will commence on Jan. 19 so practices during the next two weeks are very important.

CURLING

On Jan. 2 and 3 the St. Albert Curling Club hosted the Zone 8 school girls curling playdowns. The teams represented were Barhead, Westlock, Paul Kane and St. Albert High. It was a double knockout competition. Barhead won the A section and our girls won the B section losing only to Barhead and defeating Westlock and Paul Kane.

ST. ALBERT HIGH

By Laura Flakbeiner

Our girls then had to defeat the Barhead team twice to win the zone. They defeated the Barhead girls in the first game, but lost a close second game. The team did extremely well and all four girls will be back for next years competition. The team consisted of Marie Van Tighem, Janet Gervais, Madeline Dauphins and Elana Alsios.

The St. Albert boys curling team will be competing in the Edmonton City School Boy's playdowns this Saturday and Sunday at the Otwell Curling Club. Representing St. Albert High will be Peter Byl, Darrell Kremer, Bill Witschen and Norman Roy.

BADMINTON

The gym will be available for senior high badminton from 3 - 5 p.m. on Friday.

Bulletin posted in a New York Office building: "During the acute shortage of miniskirts, female employees are requested not to aggravate the situation. If you drop anything on the floor, forget it!"

STURGEON BOARD LETS CONTRACT

Continued from Page 1
classrooms. This permits a high degree of flexibility in learning techniques. Certain areas use movable dividers in place of walls, making it possible to change room size as required.

The library resource centre is larger than the gymnasium and will seat a total of 364 students as follows: 32 students in study carrels; 72 students at library tables; 210 students in open classrooms; 30 students in adjacent A-V room; 20 students in adjacent seminar rooms.

At the time of opening, the library will contain about 5,500 volumes, 500 filmstrips, 250 transparencies as well as records, audiotapes and video-tapes.

A full range of audiovisual equipment and materials will be available.

Study carrels and classrooms are equipped for closed circuit television. Carrels are also provided with four channel sound facilities.

A specially designed, self contained primary unit for beginners and second year students will have its own sinks and clothing and lunch storage areas, and will be closely adjacent to wash-room facilities.

Twine science classrooms have adjacent science seminar room as well as access to a rooftop weather station area.

The music room and stage together provide a small theatre with a capacity of 75 - 100 persons. The stage also opens on to the gymnasium if necessary to accommodate large audiences. It can also be completed closed off to serve as a self-contained dramatics classroom.

The art room is designed to accommodate the broadest possible art program including ceramics and pottery, and is provided with separate kiln and paint rooms.

The gymnasium is of standard junior high school size (60 feet x 80 feet).

School program

The educational program of the school and the staffing pattern are now in the planning stages, and will to a great extent depend on the actual number of students enrolled at the time of pre-registration this spring. The greater the number of students, the

broader is the possible program.

Initially a non-graded program with considerable individualized instruction is planned at the primary levels, with the modified grade program at upper elementary levels being continued during the first year of operation.

At the junior high level there will be a gradual development of independent study programs for students most capable of working in this manner. A wider range of elective offerings will be possible, but the board's request for facilities for home economics and industrial arts has not yet received approval from the provincial school buildings board. Consequently home economics and industrial arts electives will not be offered.

Singers plan Easter event

St. Albert Singers, under the direction of Lillian Upright, will resume rehearsals this Thursday, Jan. 8 at 8:45 p.m. in the lower hall of the United Church.

The Singers are a non-denominational community choir, open to anyone in St. Albert who enjoys singing.

Plans call for a presentation of Handel's Messiah Part II during Holy Week in early April, and singers wishing to participate in this event should join before the end of January.

PUBLIC HEARING

Continued from Page 1
Councillor de Bruijn said in his opinion the area was not a good residential area, being noisy and containing a drive-in theatre. Mayor Gibson stated that he was opposed to this type of piece meal rezoning.

Councillor Lukay asked Mr. Woodroffe if the 1966 plan would not require updating, but Mr. Woodroffe said it was essentially still valid.

Councillor Kambourff gave his opinion that the property east of Grange Drive should be zoned for commercial use.

After a discussion on adjourning the hearing for two or more weeks a motion carried that an extension of the public hearing on this bylaw would be called on Feb. 1. Vote was 5 - 2.

Pop Concert Series looks terrific

The series of five concerts starting this month with the Edmonton Symphony Pop Orchestra looks like a most entertaining and exciting program, and is proof that the symphony society is attuned to the sounds of the seventies, and what the general public wishes to hear.

In fact the name of the series at the Jubilee Auditorium is "Sounds of the Seventies" and the concerts are possible at very reasonable rates through the du Maurier sponsorship program which will also bring concerts to Winnipeg, Vancouver, Calgary and Hamilton this year.

Conductors in the series are Lawrence Leonard, Ted Kardash and Tommy Banks. They will be aided by the talents of 11 famous personalities including Ray Stevens, TV and pop recording star, pianist Sandra Munn, creative director Sean Mulcahy, soloist Gloria Johnson and others.

Edmonton's Ted Kardash will open the series on Jan. 20 with a lively "potpourri" of music from the classics to Broadway shows such as "Hair" and "Fiddler on the Roof." The program will also feature the return of Chris Jordan, who will perform a medley of popular songs for guitar and orchestra.

Ted, who is resident conductor of the Edmonton Youth and University of Alberta Symphony orchestras, is widely known for his interest in youth and their involvement in the music world. He says "Contemporary classical music can learn from current rock trends, and rock musicians, in regards to communicating with an audience." Mr. Kardash who was born in Winnipeg in 1941, studied five years at the Kew Conservatory where he completed a double major in both choral and symphonic conducting - and became the first Canadian to receive a degree from this institution.

The second concert features Ray Stevens (Feb. 16) followed by an Electronic Pop Concert - when Lawrence Leonard is conducting an amazing experiment in multi-stereophony on March 3. Tommy Banks will conduct a "reach-out" concert March 24 with Judy Singh, Evelyn Qualle and Terry Vincent.

Lawrence Leonard's Hofmann Concert will complete the series April 11. This astronomical festival concert will be heard for the first time in Canada and Sean Mulcahy is creative director. Anne Barrows, Jo Green, Tevie Miller, Leo LeClerc and Ron Wigmore are among the cast of thousands performing in this mad, zany concert.

Tickets are available at the Symphony Box Office at the Bay and a reduced-rate family plan is offered.

Around Town

A lighted sign five feet by fifteen feet will be mounted on the front of the new arena in the not-too-distant future. Valued at \$500, the sign will cost the arena board only \$125, as Bill Learning's company, SAMS is making this contribution to the arena.

Doug Taylor and son Barry went to North Battleford to spend the New Year's holiday with Mrs. Taylor's father, brother and sister-in-law, who were here for the funeral service of Mrs. Taylor on December 30.

Joint installation of officers ceremonies for the Royal Canadian Legion, St. Albert Branch and the Ladies Auxiliary will be held March 16, when Zone Commander Alex Bayrak will be installing officer.

"I don't care what you wear. Miss Benson - but wear a little more of it."

RECREATION Hi-Lites

PUBLIC SKATING IN ARENA

There will be public skating in the arena on Wednesday, January 6 from 6-8 p.m., on Saturday, January 9 from 7 - 10 p.m. and on Sunday, January 10 from 2:30 - 4:30 p.m. Next week it is hoped to have additional sessions when construction is further advanced. The times will be posted outside the arena and announced in next week's Gazette.

FIGURE SKATING

The learn to skate classes and power skating classes will start in the arena next Saturday, January 9. Figure skating lessons will begin on Monday, January 11.

Those who have registered are being notified of the times of the lessons by mail.

YOGA

A yoga class will be starting shortly on Thursday evenings. For information call Mrs. Betty Daley at 599-3937.

HERCULES BASKETBALL

This program for boys between the ages of 12 and 16 was scheduled to resume on Wednesday, January 6 in Vital Grandin school at 7:15 p.m.

BADMINTON

Play was scheduled to resume on January 5, in Vital Grandin school. Members of the club are reminded of the Saturday session on January 9.

YMCA

The YMCA programs are getting under way after the Christmas recess. Information can be obtained by phoning Mrs. Phillips at 599-6445.
